

# MOMS Program

Yates County Public Health

Yates County Public Health offers free assistance to pregnant women in Yates County. These services aide women in obtaining the services & care they need to have a healthy pregnancy & healthy baby.

A Registered Nurse will assist you with:

- Getting Insurance
- Signing up for WIC
- Receiving help in learning where to find what you need such as a doctor, getting your GED, or finding supplies for the baby
- Nursing assessments to check your blood pressure, the baby's heart beat and any signs of concern
- Education on how to have a healthy pregnancy
- Information on labor & delivery & where to sign up for childbirth classes

How can you sign up?

**Just call us at:  
536-5160  
or toll free at  
1-866-212-5160**
