LOCAL LAW 1-20 ENTITLED: A Local Law Establishing the Office of County Administrator for the County of Yates

Be it enacted by the Legislature of the

County
City of Yates as follows:
Town
Village

SECTION 1. LEGISLATIVE INTENT

The County of Yates, through the Yates County Legislature (hereinafter referred to as the "County Legislature"), recognizes its responsibility in providing an efficient and accountable administrative government that provides for a clear delineation of responsibility and authority between the legislative function of the County Legislature and that of the county government structure. In accomplishing this, the Legislature is cognizant that county government and the problems that it addresses on a daily basis must be approached from a manageable and concise functional basis. As such, and in conformance with its intent to provide an administrative framework that will achieve these goals, the County Legislature by local law created the position of County Administrator for the County of Yates (hereinafter referred to as the "County Administrator") beginning January 1, 1988.

And subsequent thereto, the County Legislature has continued to maintain the position of County Administrator. It is the intent of this local law to reaffirm that the position of County Administrator shall continue; as well as provide the procedural and substantive framework of the position of County Administrator, including but not limited to, the duties, qualifications and term of office thereof.

SECTION 2. COUNTY ADMINISTRATOR; TERM; QUALIFICATIONS

On or after January 1, 2013 there shall be a County Administrator who shall be appointed by the County Legislature on or after January 1, 2013 for a one year term from and including January 1, 2013 and ending December 31, 2013.

On or after January 1, 2014 there shall be a County Administrator who shall be appointed by the County Legislature on or after January 1, 2014 for a two year term from and including January 1, 2014 and ending December 31, 2015. And similarly thereafter, there shall be a County Administrator who shall be appointed by the County Legislature on or after January 1 of an even numbered calendar year for a two year term from and including January 1 of said even numbered calendar year and ending on December 31 of the following odd numbered calendar year.

Vacancies occurring otherwise than by expiration of the term shall be filled by appointment by the County Legislature for the unexpired portion of the term.

The County Administrator shall be directly responsible to the County Legislature and shall be a person qualified by formal training in public administration, finance, or related fields, and by experience in an administrative executive position in governmental administration or by equivalent experience and training sufficient to indicate capacity for effective governmental administration.

The County Administrator shall hold no other partisan elective office during his/her term as County Administrator, other than such partisan elective office that he/she may hold at the time of his/her appointment as County Administrator.

The County Administrator position is a full time position.

The total compensation of the County Administrator shall be fixed by the County Legislature.

MINIMUM QUALIFICATIONS:

The County Administrator shall have the qualifications set forth in Section 3 of the Public Officer's Law, except that, at the time of his/her appointment the County Administrator need not be a resident of Yates County, but shall become a resident of Yates County within ninety (90) days of his/her taking office, and thereafter shall remain a resident of Yates County during his/her tenure of office.

In addition to the above qualifications, the County Administrator shall meet or exceed the following qualifications:

- (a) Possess an Associate's Degree from an accredited college or university and have ten years satisfactory paid full time responsible management experience in a private or public business or industrial enterprise, or

SECTION 3. GENERAL POWERS

The County Administrator shall, as herein provided, act as representative of the County Legislature. Within the limits of his/her authority, he/she shall be responsible to the County Legislature for the overall administration of county government and shall provide a full range of staff services to the County Legislature and its various committees. He/she shall coordinate the activities of the several officers, employees, agents, departments, offices, boards, agencies, and committees so that the policies and programs enunciated by this County Legislature, as well as programs mandated by other governmental authority, are implemented in a cost effective manner for the most benefit to the citizens served. He/she shall perform all of the duties now and hereafter conferred or imposed upon him/her by law and as directed by the County Legislature and shall have all the powers and perform all the duties necessarily implied or incidental thereto.

In instances where the County Administrator is also a Department Head, any lawful powers and/or duties of the County Administrator granted or directed by the terms of this Local Law herein as they relate to such Department Head or the office/department of such Department Head, shall be withheld and instead wholly exercised by the County Legislature.
