**COMMENCE SEQRA REVIEW AND EVALUATE NEED FOR LOCAL  
APPROVAL FOR THE HIGHWAY, OFFICE OF EMERGENCY SERVICES &  
PUBLIC HEALTH FACILITY PROJECT**

WHEREAS, Yates County (“County”) commissioned a highway department conditions and needs assessment study in 2019 and received a Highway Department Assessment and Recommendations Report (“Report”) in September 2019; and

WHEREAS, as a result of the study and Report, the County desires to install a Highway, Office of Emergency Services & Public Health facility located in the Town of Benton (the “Project”); and

WHEREAS, the purpose of the Project is to improve efficiencies of the Highway Department and facilitate the provision and readiness of services by Public Health and Office of Emergency Services Personnel for the benefit of all County residents; and

WHEREAS, the Project will include, in relevant part, the acquisition of real property interests, the design and construction of a new Highway, Offices of Emergency Services and Public Health facility; and

WHEREAS, the County has to date, and will continue in the future, to share information with the Town of Benton concerning the Project; and

WHEREAS, at the present time it is anticipated that the Town of Benton will not require strict compliance with local land use regulations for the Project; and

WHEREAS, the County desires to comply with the requirements of State Environmental Quality Review Act ("SEQRA") and its implementing regulations set forth at 6 NYCRR Part 617; and

WHEREAS, the County desires (i) to classify the type of action for which the Project qualifies under SEQRA, (ii) to serve as lead agency for the SEQRA review, and (iii) in furtherance of the foregoing, to engage in a coordinated review and provide Part 1 of the Full Environmental Assessment Form (“FEAF”) to other interested and involved agencies for their review and comment;

NOW, THEREFORE, BE IT RESOLVED, that the County states its desire, upon the consent of other involved agencies, to serve as “Lead Agency” for the Project’s environmental review and preliminarily classifies the Project as a Type “I” Action under SEQRA; and be it further

RESOLVED, that the County hereby authorizes its staff and consultants to complete Part 1 of the FEAF and to send it, together with a copy of this Resolution, to all involved and interested agencies; and be it further

RESOLVED, that the County has determined that an important public interest would be served by the Project for the purpose to advance efficiencies by highway personnel, public health staff and the office of emergency services for the benefit of all County residents; and be it further

RESOLVED, that the County hereby determines that locations for the Project in the Town of Benton can best serve the public interest, and that the County is therefore committed

to a process of information-sharing with municipal representatives of the Town; and be it further

RESOLVED, that the County anticipates that any local approvals for the Project will be granted on a timely basis or may not be required based on consideration of applicable laws; and be it further

RESOLVED, that this resolution shall take effect immediately; and be it further

RESOLVED, that a copy of this Resolution shall be filed with the County Clerk and copies sent to the County Attorney, Highway Superintendent, Director of Emergency Services, Director of Public Health, Administrator, Planner, the Town of Benton, Mike LaMontagne of C & S Engineers and Robert Tyson of Bond Schoeneck and King Attorneys.
