LEGAL NOTICE
Notice of Public Hearing
Yates County, NY

Yates County will hold a public hearing on July 10th at 1:05pm in the Yates County Legislative Chambers for the purpose of hearing public comments on the Yates County's community development needs, and to discuss the possible submission of one or more Community Development Block Grant (CDBG) applications for the 2023 program year. The CDBG program is administered by the New York State Office of Community Renewal (OCR), and will make available to eligible local governments approximately 10 million dollars for the 2023 program year for housing, economic development, public facilities, public infrastructure, and planning activities, with the principal purpose of benefitting low/moderate income persons. Yates County is applying for \$400,000 in CDBG funds to replace well and septic systems including lateral connections for low and moderate-income persons. The hearing will provide further information about the CDBG program and will allow for citizen participation in the development of any proposed grant applications and/or to provide technical assistance to develop alternate proposals. Comments on the CDBG program or proposed project(s) will be received at this time. The hearing is being conducted pursuant to Section 570.486, Subpart I of the CFR and in compliance with the requirements of the Housing and Community Development Act of 1974, as amended.
