Committee members: Leslie Church, Ed Bronson, Terry Button, Carlie Chilson, Dick Harper, Bonnie Percy

- Leslie and Dick will sign the audit this month
- Approve minutes of the August meeting
- Public Comment

VETERANS: Philip Rouin
- Veteran Service Projects
- Personnel & Training updates
- Statistical report
- Upcoming Veteran Related Training/Meetings/Community events
- Claims settled
- Expiration of Term of Services Sponsorship Program (ETS-SP)

OFFICE FOR THE AGING: Zachary Housworth
- Program updates

SOCIAL SERVICES: Amy Miller
Resolution:
- Amend Resolution 234-21(Authorize Contract with Safe Harbors for Non-Residential Domestic Violence Services)

- Evictions Assistance
- Rent
- Utilities
- HEAP
- Unemployment rate
- SNAP
PUBLIC HEALTH: Annmarie Flanagan

- COVID
- Vaccination efforts
- School ELC Grant
- Fellows Program
- Staffing
- Community Education
- Rabies Clinics

Resolutions:

- Authorize Director of Public Health to fill Public Health Nurse position
- Authorize Director of Public Health to create and Fill Temporary Full Time Public Health Specialist Position
- Authorize Director of Public Health to create and Fill Full Time Temporary Position (Registered Professional Nurse or Public Health Specialist)
- Authorize Director of Public Health to Create and Fill Three Temporary Nurse Positions
- Authorize Director of Public Health to Create and Fill Three Nurse Positions
- Authorize Director of Public Health to Create and Fill Temporary Part Time Senior Account Clerk Typist Position
- Authorize Director of Public Health to Contract with the SAY Rural Health Network to Hire Temporary Staff to Provide Oversight and Staffing of COVID 19 Testing on a Temporary Basis Position
- Authorize Director of Public Health To Contract With Cathy Bond, and Emergency Planning Consultant to Establish and Oversee the Surveillance and Testing Plans as Identified Under the ELC Schools COVID Grant
- Authorize Director of Public Health to Contract with Quadrant Bioscience for Pool and Individual COVID Testing
- Resolution urging Governor Hochul and Commissioner Zucker to Modify the Proposed Covid-19 Mandate for all Healthcare Workers (Nonie or Doug)

COMMUNITY SERVICES – George Roets

Resolutions:

- Appoint Community Services Board Mental Health Subcommittee Member
- Suicide Prevention Month-September

Program updates:

- Yates Suicide Prevention Coalition
- Yates INSYGHT
- Crisis Intervention Training
- Columbia University HEALing Communities Study
- Yates County Crisis Services Plan
- Transitional Care Management
- Children’s Single Point of Accountability (C-SPOA)
- Yates Substance Abuse Coalition
- Mozaic

PUBLIC DEFENDER: Steve Hampsey

- Statistical report
- Grant updates

COUNTY ADMINISTRATOR: Nonie Flynn

- Nothing to report
I. Veteran Service Projects:

- 2022 Budget proposal was reviewed with County Administrator.

- Submitted Aid to Localities request to New York State Office of General Services (this will be reviewed by the state and hopefully will result in a reimbursement of $10,000 in support of services provided to Veterans in Yates County).

II. Personnel & Training Updates:

- VSA director and Community Services director co-facilitated “Talk Saves Lives” Suicide Awareness & Prevention training on August 17th at the Penn Yan Public Library.

- VSA staff completed the following training:
  - Department of Veterans Affairs
    - PTSD and Suicide: Conceptualization and Assessment (August 16th)

III. Veteran Services Update:

- Contact Report: Our Monthly Contact Report for August shows 600 services were provided.

- Transportation: VSA staff and volunteers, using County vehicles, transported 36 Veterans to medical appointments.

IV. Summary of Statistical Data: (see attached spreadsheet).

V. Upcoming Veteran-Related Training, Meetings, and Community Events:

- Suicide Prevention and Awareness “One Walk” Event
  Date: Friday – September 10th, 4:30 p.m.
  Location: Keuka College (tent near Norton Chapel)

- Finger Lakes Workforce Investment Board – Veteran Outreach Event
  Date: Thursday – September 16th, 8:00 a.m. – 4:00 p.m.
  Location: Fort Drum – Watertown

- New York State Division of Veterans’ Services – Annual VSO Training
  Date: Monday – Friday, September 27th – October 1st, 1:00 p.m. – 5:00 p.m.
  Location: via Go To Webinar

VI. Claims Settled & Disbursements to our Veterans/Surviving Dependents:

Monthly total compensation for VA claims settled this month: $11,500.71
Total monthly compensation and disbursements year-to-date: $162,225.06
VII. Informational Item(s):

- **Expiration of Term of Services Sponsorship Program (ETS-SP).** ETS-SP pairs an active duty service member with local veteran peer mentor as they transition out of military service. Several counties have been asked to pilot the new program with the State, Department of Defense, Department of Veterans Affairs, and Substance Abuse Health Services Administration (SAMHSA).
  
  - The ETS-SP is an opportunity to attract transitioning service members and their family members to Yates County, by informing them of work placement, housing, educational opportunities and Veterans’ services benefits in our community.

  - For more information about the ETS-SP, see the attached PowerPoint presentation, or to register as a sponsor or service member, please visit the ETS-SP website: [www.etssponsorship.com](http://www.etssponsorship.com)

Reference: *The ETS Sponsorship Program* presentation (NYS CVSOA Convention, August 12, 2021).

**Actual Transports**: 12 22 35 23 19 22 27 36 13 20 26 18 11

**Initial Veteran Contacts**: 3 4 3 1 1 1 1 2 4 4 2 5 1

---

**Notes**:
- 1 - Initial veteran contacts - first time veteran has been to office - not necessarily a new veteran
- 2 & 3 - Outreach with Veterans who are home-bound, self-isolated, or in nursing homes/assisted living centers
- 4 - Veteran database system clean-up project
ETS-Sponsorship Program

The Expiration Term of Service Sponsorship Program: An Evidence-Based Approach to Foster Connectedness and Mitigate Reintegration Difficulties for Transitioning Servicemembers
The 12 months between the end of active military service and reintegration back into civilian life, the ‘deadly gap’, is the most stressful and dangerous time for a new Veteran. It represents an empty space between the Department of Defense, that creates the Veteran, and the Department of Veterans Affairs, that cares for the Veteran. Stress and uncertainty about the future are high, just as the support structure and sense of purpose of military service are removed.

All too often, new Veterans are navigating these changes on their own. During this period, they are committing suicide at rates well above the national average.

We must bridge that gap.
Despite increases in funding, education, and effort... post 9-11 Veterans continue to commit suicide at rates 2x higher than their age group in the general population. Traditional approaches have not succeeded in eliminating a range of negative, avoidable outcomes (homelessness, unemployment, suicide).

Why?

• The approach is reactive (the Veteran must find help; help does not always find the Veteran)
• The support structure is fragmented (45000 Veteran’s Service Organizations are registered nationwide, 1 for every 4.4 Veterans produced each year)
• Federal programs and plans do not always match State and community conditions or needs
...employing an evidence-based model that pairs new Veterans with sponsors from their destination community, backed by a secure, cutting-edge digital dashboard.

**What Makes ETS-SP Different?**

- Relationships with servicemembers begin 6-12 months before the end of their active military service
- Servicemembers are paired with sponsors, just as they are when they move from post-to-post on active duty
- Sponsors come from the Veteran’s future community, matching local knowledge and connections with new Veteran talent
- Destination communities and States are aware of incoming Veterans months in advance, allowing for proactive outreach and positive condition setting
- Underpinned by a secure, AI-powered digital dashboard using information provided only with the consent of the servicemember

The ETS-SP model aligns federal, state and local resources and agencies around a shared understanding of the unique circumstances of each transitioning servicemember. It **bridges the ‘deadly gap’** by engaging early, teaming Veterans with trained sponsors, helping set realistic expectations, and facilitating access to all the resources and opportunities our Veterans have earned through their service to the nation.
ETS-Sponsorship Dashboards

- Provides a common view of each new Veteran
- Connecting Servicemembers to trained, local sponsors
- Facilitates an Action Plan tailored to the individual
- Data provided only with consent of the Servicemember

**With Functions including:**
- Personalized Action Plan
- Secure record storage using block-chain technology
- Destination Community Event Tracker
- Referral System
- Secure chat and scheduling
- Tailored News Feeds
How We Are Structured

Nationwide Support, Policy and Programs, and Advocacy

Lead State Coordinator—works with the State Department of Veterans Affairs and regional/community CICs to set priorities, expand the network, and connect the network while also supporting Servicemember-Sponsor pairs

Community Coordinator—supports Servicemember-Sponsor pairs for a region, county or city. Matches incoming Servicemembers with trained Sponsors

Servicemember-Sponsor Pairs—the foundation of the program, matching trained local Sponsors with Servicemembers transitioning to their local community
Why Do You Want To Join ETS-SP?

For The County:
- **Unmatched levels of data and understanding on each Veteran** tailored to your requirements
- Visibility of inbound Veterans 6-12 months before they arrive
- Builds a community around each Veteran, reducing many costly negative outcomes
- Dashboard supports work placement, housing, and educational opportunities
- The opportunity to attract Veterans to your community (Welcome Basket, State Incentives, etc.)

For The Veteran:
- Pair with a local Sponsor that assists throughout the transition process
- Reduced uncertainty and anxiety during this turbulent time
- Streamlined access to the full range of Veteran services and benefits
- Secure digital access to service records, medical records, and other key documents
- Membership in a safe online community of new Veterans; you are **not** alone

For The Sponsor:
- An opportunity to give back to our Servicemembers and their families
- Share experiences and local knowledge while building a stronger community
- A meaningful way to continue the higher purpose of serving others
Partnering With ETS-SP

**What does it take?**

- Commitment to encourage sponsors in numbers required for inbound Veterans
- Certification of a capable lead State CIC (SCIC)
- Certification of regional/local CICs to coordinate community programs
- Dashboard subscription for each enrolled servicemember at $1 day (Visible to Veteran, sponsor, and CICs)

**How do we help?**

- Enrollment of Servicemembers at military posts across the nation
- Sponsor certification in partnership with the *Department of Veterans Affairs*
- CIC Certification programs in partnership with *America’s Warrior Partnership*
- Monthly training opportunities and numerous online resources
- Tailored reports based on the data you need at the local level
- Dashboard maintenance and customizable modules to meet your needs (community events, job boards, etc.)
For more information, or to register as a sponsor or servicemember, please visit our webpage at: www.etssponsorship.com

**National Points of Contact**

- Incoming Director: Mike Eastman, mike@etssponsorship.com
- Director of Operations: Danielle Bracco, danielle@etssponsorship.com
Yates County Human Services Committee Meeting
Pro Action Yates Report
September 2021

Action Items:

Program Updates:

1. **Farmers Market Coupons:**

   Distribution of coupon booklets began on 7/1/21. As of 8/30/21, over 330 booklets have been distributed.

   There are 3 Certified Farmer Markets for Yates County on the current list. (Tomion’s Farm Market, The Windmill and Yates County Co-op Farm & Craft Market).

   In July, staff went to the Penn Yan and Dundee St. Mark’s Terraces, Dundee Food Pantry, Pop Up Pantry in Dundee, Hope Center, Yates OFA Drive Thru Picnic to distribute and many individuals have come into the Yates OFA to pick up booklets. Staff also take them to eligible individuals when doing home visits.

2. **EISEP/ Home Care:**

   The waitlist is down to 2 people needing PCI services and 1 requesting PCII services.

3. **Transportation:**

   95 medical trips were provided to 26 individuals in July. 2 trips included family members riding along as companions. 8 non-medical trips were provided to 4 individuals in July.

   NYSDOT has requested a few additional documents from us that are needed to process the purchase of the 11-passenger vehicle. We sent the documents in on 8/30 and were told that we should be able to take possession of the vehicle by 10/1.

4. **Personal Emergency Response System:**

   We have 117 units in homes, with 8 second pendants in place and 10 panic buttons in July. We had 5 new installs and 3 removals.

   2 of the 6 cellular add-on modems to the PERS units have been installed. There are 4 in inventory for future needs.

5. **Senior Nutrition:**

   We are currently serving 50 HDM and 6 Congregate "grab and go" meals daily in Yates. We have 5 bulk, once a week deliveries, in Yates. It can fluctuate based on customer’s schedules, hospitalizations, and family visits. I will discuss this further during my verbal report.
**Other:**

1. **Fiscal and Contract Update:**

   Our AU was approved last month with no questions or comments from the Attachment C Committee.

2. **Pup Up Pantry:**

   The August 20th Pup Up Pantry was cancelled by Foodlink due to several of their staff being ill. Due to few staff being available at their facility and for the safety of our volunteers and customers they made the decision to skip the August distribution.

   3 customers called and requested food assistance and were directed to the Hope Center for an emergency food box. 1 of the 3 customers was elderly and doesn’t drive that far so we arranged delivery of an emergency food box the following morning.
Resolutions
Amend resolution 234-21

Eviction Assistance
NYS has recently begun to release data regarding payments that have been paid to landlords. We have not received the amount paid to utility companies for arrears. I’ve included the surrounding counties for perspective. While I think it is good news that money is flowing, there have been 60 completed applications in Yates County, so there is room for improvement.

Rent

<table>
<thead>

<td>$74,021</td>
</tr>
</tbody>
</table>

The eviction moratorium has been lifted but we have not been inundated with new homeless people, as pending evictions have not had the time to go through the court process. We have also been told that evictions will now be sent back to local courts to be processed.

Utilities
The moratorium on shut offs has also been lifted. We have had a years’ worth of people who would ordinarily have already received their shut off notices call in the past 2 weeks because they have received notifications. Many of these calls are from people who are not eligible for our services because they are over-income. In some cases, there seems to be a misunderstanding, people did not realize that just because the utilities could not be shut off, doesn’t mean that the bill does not continue to accumulate. The Emergency Rental Assistance Program (ERAP) does aid with utility arrears. We sent information about this program in all PY Municipal bills this summer. Information was also sent to all landlords from the village of Dundee. Unfortunately, HEAP is not able to be applied to past bills. A vendor who applies a HEAP grant to arrears will be in violation of their contract with NYS.

HEAP
HEAP begins October 1 this year. This is a month earlier than usual. The benefit levels remain unchanged since 2018.

Typically, over 10% of Yates County households are in receipt of HEAP.
HEAP is comprised of 5 components.

1. Regular Component- Eligible Households can receive a regular benefit per program year. Benefit amount is calculated based on primary fuel type, income tier and the presence of a vulnerable household member defined as a child under age 6, an individual aged 60 or older or an individual in receipt of SSI.

2. Emergency Component- Considered to be an emergency when loss of heat is imminent. A household with imminent loss of heat has less than \( \frac{1}{4} \) tank of fuel, less than a 10-day supply, or a utility notice that is scheduled for disconnection.

3. Clean and Tune Component- This benefit aids eligible homeowners to have their primary heating equipment cleaned, tuned and the performance of minor repairs.

4. Heating Equipment Repair and Replacement component- These benefits are available to assist homeowners in repairing or replacing primary heating equipment when the equipment is inoperable or unsafe and needs repair/replacement.

5. Cooling Assistance Component- This provides cooling assistance services to eligible household that include an individual with a documented medical condition that is exacerbated by extreme heat.

On September 5, 2021 several federal unemployment benefit programs will expire across the country, per federal law. The federal benefit programs that will expire are:

- Pandemic Unemployment Assistance (PUA)
- Pandemic Emergency Unemployment Compensation (PEUC)
- Extended Benefits (EB)
- $300 Federal Pandemic Unemployment Compensation (FPUC)

We will continue to assist and engage with individuals on Unemployment Insurance as many people still cannot get through to the DOL.

**SNAP**

Throughout the pandemic, households receiving SNAP benefits have received the maximum amount regardless of their eligibility. We have not received information about whether this will continue in September. In our county 67% of households were receiving the additional benefit.
AMEND RESOLUTION NO. 234-21
(Authorize Contract with Safe Harbors for Non-Residential Domestic Violence Services)

WHEREAS, Resolution 234-21 authorized the Chairman of the Legislature to sign a contract with Safe Harbors of the Finger Lakes for non-residential domestic violence services for $25,000; and

WHEREAS, The New York State Office of Children and Family Services has issued an administrative directive with a different allocation amount;

NOW, THEREFORE, BE IT RESOLVED, that the cost of the contract will be $32,450; and be it further

RESOLVED, that copies of this resolution be provided to the Commissioner of Social Services and the County Treasurer
1. **COVID**: Yates County Public has been placed in the orange zone for the past two plus weeks. Cases were low at the beginning of August and have steadily increased over the past two weeks. Below is a graphic of the CDC COVID tracker by counties. This helps explain what the transmission levels mean. Thank you to Chairman Paddock for providing the graphic. (More information about this will be given during the Human Services Committee) When looking at the percentage of positives, what would offset the positives would be negative tests. Which we have had many of these recently due to the requirement of the Keuka College students to be tested for COVID before returning to campus. The negative tests are reported under Yates County. As of today’s writing our community transmission level is at 6.43% for a seven day average.

### CDC Indicators and Thresholds for Community Transmission of COVID-19

</tbody>
</table>

**Notes**: 1. If the two indicators suggest different levels, choose actions corresponding to the higher threshold. Based on past 7 days.

**Vaccination efforts**: the CDC is now recommending that individuals who received either the Moderna or Pfizer vaccine receive a 3\(^{rd}\) dose of the vaccine 8 months after their 2\(^{nd}\) dose. This means that whoever had their 2\(^{nd}\) dose in January would be required in September to be vaccinated. This was the early part of the vaccination efforts where health care providers and health workers were being vaccinated. Yates County Public Health is ready to go back to mass vaccination efforts. Due to the increased numbers we will be seeing for individuals needing to be vaccinated the decision has been made to stay with Gordman’s at the Lake Street Plaza. There is a resolution attached regarding proceeding with continuing the contract. Buildings and Grounds has worked with a local company to fix the air conditioning and the cost which the county will incur will be taken off next month’s rent. The plan for now is to keep the Gordman’s site until December. We need to give 30 days’ notice of leaving. In late November the decision will need to be made regarding, should we stay or find alternatives.
**School ELC Grant:** The grant for the schools to reopen with limited interruption to learning and other activities is evolving. The surveillance piece is a huge part of what the state expects to happen. This means approx. 10% of all school children in each district would need to be tested weekly. A resolution to contract with the SAY network is attached so that we can staff our COVID testing clinics with temporary staff. A resolution is also attached to enter into a contract with Cathy Bond to develop and implement the plans of COVID 19 testing for the schools. There is also a resolution attached to enter into a contract with Quadrant Labs, based in Syracuse to do our COVID 19 surveillance testing. The benefit of using this lab is they have the technology to do pool testing via oral secretions. The tests are pooled, which is a cost savings, if any pool comes back positive they can then test each sample individually to find which individual is positive and then the proper contact investigation can be done.

A formal presentation with the school board of the Penn Yan Central School District occurred on September 1, 2021. Another presentation with the Dundee Central School District will occur on Thursday September 9, 2021. The Mennonite Schools do not want any assistance from Public Health. We are also working with St. Michaels School as well as the Emmanuel Baptist School.

2. **Fellows program:** is in process we are waiting for the state to send us the applications of the individuals we may hire through the grant. There are resolutions attached regarding these positions. The individuals apply through the state and the state vets them out and sends them to us based on our requests and who is willing to come to Yates County. Below are what Yates County has asked for from the Fellows program:
   a. Public Health Specialist, masters prepared. I have asked Kerry to reclassify this role to the same level as a Public Health Nurse (PHN). This is a competitive job with other counties. The individual must come with a Master’s degree. In order for Yates County to be competitive and ensure we get the best candidates. Financial compensation is looked at as a main priority by most people in their decision making process for a job. The position is funded for one to two years through grant funding.
   b. The second position will be either a Registered Nurse, Public Health Nurse or a Public Health Specialist who may or may not be mastered prepared. Dependent on their level of education they will be compensated according to the CSEA contract pay scale. In accordance with the above information regarding the masters prepared Public Health Specialist will also be financially compensated at the same level as a PHN, if the candidate has the appropriate credentials.
   c. The third position will be filled through the SAY network as appropriate. More than likely on a part time basis. As part of the funding, dollars will be allocated to SAY for oversight of the fellows, to allow for proper orientation and ongoing support.

At this time we are still waiting for the state to send us resumes and other information.
3. **Staffing:**

   A. Replacement of the vacant PHN position. Unfortunately, we did have a nurse leave during the month of August. She was our last hire. Her reasons for leaving were: financial compensation is not what she would be getting in the hospital setting. She was paying daycare half of her paycheck every week. She also wanted to be home more with her 6 month old and returning to the hospital allowed her to work 12 hour shifts. I have asked human resources to post this job, upon of your approval to refill the position.

   B. I am respectfully requesting we change the status of our new part time account clerk typist to a full time status. Her work at the half time level has quickly filled and there is more to be done. The current staff member came to us with a work history from working with other counties. She has quickly picked up on the work and has done even more. She has assumed many of the contract pieces for community services and more. Her position, if you do approve, would be funded under grant funding for at least the next two years due to COVID funding. She is aware that the position may need to return to part time once funding runs out. Resolution attached.

If all of the staffing positions are filled, the year 2022 should have a good start with ending this pandemic, and moving to an endemic. Then a return to the normal functions of the role of Public Health to prevent disease will occur!

**Community Education:** community education regarding COVID remains consistent.

Billboards, Social Media and new papers are being used on a continuous basis.

1. A mass mailing will be going out to a special community in our county soon to explain the role of Public Health and to do some education on immunizations. Along with a magnet so they can contact us with questions

2. Hope Walk was on August 28, 2021 at the Community Center in Penn Yan. It was very well attended. Yates County Public Health was there with our blow up colon! We were the highlight of all the vendors!

3. We will be working with Yates Insight to advertise on their busses in the near future

**Rabies clinics:** we will be having our next rabies clinic Wednesday September 29th, 2021 from 6–7 pm at the Dundee Village Barns. There is also a rabies clinic at the Italy Highway Barn on Monday September 13, 2021 from 7-8 pm, which is hosted by the Town of Italy and there is a $5 nonresident fee.

Rabies positive cases have decreased. Community education is still consistently being done through social media and posters.

**Yates County Public Health Resolutions:**

    AUTHORIZE DIRECTOR OF PUBLIC HEALTH FILL POSITION

    WHEREAS, a Public Health Nurse position became vacant on August 20, 2021 as the result of a resignation; and
WHEREAS, the Director of Public Health through the vacancy review process has identified the continued need for the position and is requesting the vacancy be filled with the most appropriate title based on the candidates qualifications; and

WHEREAS, the estimated annual cost to fill the Registered Professional Nurse position, including fringe, is $65,300 to $85,613, depending on health insurance; the County receives 80% reimbursement from NYS for salary only, therefore the estimated annual cost to the County including fringe, is $13,060 to $33,373, depending on health insurance;

WHEREAS, the estimated annual cost to fill the Public Health Nurse position, including fringe, is $68,185 to $88,499, depending on health insurance; the County receives 80% reimbursement from NYS for salary only, therefore the estimated annual cost to the County including fringe, is $13,637 to $33,950, depending on health insurance;

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 the Director of Public Health has the authorization to fill the Public Health Nurse vacancy with a candidate who meets the minimal qualifications for either Registered Professional Nurse or Public Health Nurse; and be it further

RESOLVED, that copies of this resolution be given to the Public Health Director, Personnel Officer, County Administrator and County Treasurer.

AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CREATE AND FILL TEMPORARY FULL TIME PUBLIC HEALTH SPECIALIST POSITION

WHEREAS, the Director of Public Health through the vacancy review process has identified the need to create and fill a temporary full time Public Health Specialist position and is requesting the position be filled; and

WHEREAS, the estimated annual cost to fill the Public Health Specialist position, including fringe, is $68,185 to $88,499, depending on health insurance; the County receives 100% reimbursement from NYS Fellow Grant Program for salary and partial reimbursement for fringe, therefore the estimated annual cost to the County including fringe, is $8,732 to $20,313, depending on health insurance; and

WHEREAS, the Director of Public Health has requested authorization to start the candidate at either STEP one (1) or STEP two (2) of the current CSEA CBA Salary Schedule, should the candidate meet the eligibility for a higher starting rate of pay, and therefore, the estimated annual cost to fill the newly created position, including only fringe as the salary is reimbursed at 100%, is $9,117 to $20,313, depending on health insurance;

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 a temporary full time Public Health Specialist position is hereby created for up to twelve (12) months, unless the appointment is ended sooner by the Director of Public Health; and be it further
RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CREATE AND FILL FULL TIME TEMPORARY POSITION
(Registered Professional Nurse or Public Health Specialist)

WHEREAS, the Director of Public Health through the vacancy review process has identified the need to create and fill a temporary full time position and is requesting the position be filled with the most appropriate title based on the candidates qualifications; and

WHEREAS, the estimated annual cost to fill the Registered Professional Nurse position, including fringe, is $65,300 to $85,613, depending on health insurance; the County receives 100% reimbursement from the NYS Fellow Grant Program for salary and partial reimbursement for fringe, therefore the estimated annual cost to the County including fringe, is $8,363 to $20,313, depending on health insurance; and

WHEREAS, the estimated annual cost to fill the Public Health Specialist position, including fringe, is $68,185 to $88,499, depending on health insurance; the County receives 100% reimbursement from NYS Fellow Grant Program for salary and partial reimbursement for fringe, therefore the estimated annual cost to the County including fringe, is $8,732 to $20,313, depending on health insurance; and

WHEREAS, the Director of Public Health has requested authorization to start the candidate at either STEP one (1) or STEP two (2) of the current CSEA CBA Salary Schedule, should the candidate meet the eligibility for a higher starting rate of pay, and therefore, the estimated annual cost to fill the newly created position, including only fringe as the salary is reimbursed at 100%, is $9,117 to $20,313, depending on health insurance;

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 a full time temporary position is hereby created for up to twelve (12) months, unless the appointment is ended sooner by the Director of Public Health, and shall be filled with a candidate who meets the minimal qualifications for either Registered Professional Nurse or Public Health Specialist; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CREATE AND FILL THREE (3) TEMPORARY NURSE POSITIONS

WHEREAS, the Director of Public Health through the vacancy review process has identified the need to create and fill three (3) temporary part time nurse positions and is requesting the positions be filled with the most appropriate title based on the candidates qualifications; and
WHEREAS, the estimated annual cost to fill the Bachelors Prepared Nurse position, including fringe, is $27,764 to $31,842; and

WHEREAS, the estimated annual cost to fill the Registered Professional Nurse position, including fringe, is $34,104 to $39,113; and

WHEREAS, the estimated annual cost to fill the three (3) positions, including fringe, is $83,292 to $117,339; the three (3) positions, including salary and fringe are funded at 100% by the Epidemiology and Laboratory Capacity (ELC) COVID-19 Grant, therefore, the estimated annual cost to the County for the three (3) positions is $0;

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 the Director of Public is hereby authorized to create and fill three (3) temporary part time positions with candidates who meet the minimal qualifications for either Registered Professional Nurse or a Bachelors Prepared, for up to twelve (12) months, unless the appointment is ended sooner by the Director of Public Health; and be it further

RESOLVED, the nurses will provide a copy of their personally paid medical malpractice insurance; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CREATE AND FILL THREE (3) NURSE POSITIONS

WHEREAS, the Director of Public Health through the vacancy review process has identified the need to create and fill three (3) part time nurse positions and is requesting the positions be filled with the most appropriate title based on the candidates qualifications; and

WHEREAS, the estimated annual cost to fill the Bachelors Prepared Nurse position, including fringe, is $27,764 to $31,842; and

WHEREAS, the estimated annual cost to fill the Registered Professional Nurse position, including fringe, is $34,104 to $39,113; and

WHEREAS, the estimated annual cost to fill the three (3) positions, including fringe, is $83,292 to $117,339; the three (3) positions, including salary and fringe are funded at 100% by the Epidemiology and Laboratory Capacity (ELC) COVID-19 Grant, therefore, the estimated annual cost to the County for the three (3) positions is $0;

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 the Director of Public is hereby authorized to create and fill three (3) part time positions with candidates who meet the minimal qualifications for either Registered Professional Nurse or a Bachelors Prepared Nurse; and be it further
RESOLVED, the nurses will provide a copy of their personally paid medical malpractice insurance; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

**AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CREATE AND FILL TEMPORARY PART TIME SENIOR ACCOUNT CLERK TYPIST POSITION**

WHEREAS, the Director of Public Health through the vacancy review process has identified the need to create and fill a temporary part time Senior Account Clerk Typist position and is requesting the position be filled; and

WHEREAS, the estimated annual cost to fill the Senior Account Clerk Typist position, including fringe, is $35,221 to $40,394; the County receives 100% reimbursement from NYS Fellow Grant Program for salary and partial reimbursement for fringe, therefore the estimated annual cost to the County including fringe, is $0 to $5,173; and

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 a temporary part time Senior Account Clerk Typist position is hereby created for up to twelve (12) months, unless the appointment is ended sooner by the Director of Public Health; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

**AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CONTRACT WITH THE SAY RURAL HEALTH NETWORK TO HIRE TEMPORARY STAFF TO PROVIDE OVERSIGHT AND STAFFING OF COVID 19 TESTING ON A TEMPORARY BASIS POSITION**

WHEREAS, the Director of Public Health HAS identified a need to staff COVID 19 testing sites and needs to do this on a temporary basis, has identified the SAY network has access to personnel and can properly establish temporary payment methods to personnel hired.

WHEREAS, the estimated annual cost to fill the positions needed would be approximately $90,000 without any fringe benefits for said temporary staffing. Plus an administrative fee of not more than 11% from the SAY network. The cost of the temporary staffing and administrative fees are covered under the ELC for schools COVID grant.

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 a contract will be established with the SAY Rural Health Network to continue for up to twelve (12) months, unless the contract is ended sooner by the Director of Public Health; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.
AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CONTRACT WITH Cathy Bond, AN EMERGENCY PLANNING CONSULTANT TO ESTABLISH AND OVERSEE THE SURVEILLANCE AND TESTING PLANS AS IDENTIFIED UNDER THE ELC SCHOOLS COVID GRANT

WHEREAS, the Director of Public Health HAS identified a need to contract for the planning, execution and oversight of the COVID 19 surveillance and testing piece of the ELC COVID 19 schools grant. A contract will be established with Cathy Bond to plan develop, implement and oversee the day to day activities of the plan

WHEREAS, Cathy Bond will be paid at a rate of $100 an hour, not to exceed $50,000 in a given year.

NOW, THEREFORE, BE IT RESOLVED, that effective August 16, 2021 a contract will be established with the Cathy Bond for up to twelve (12) months, unless the contract is ended sooner by the Director of Public Health; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.

AUTHORIZE DIRECTOR OF PUBLIC HEALTH TO CONTRACT WITH QUADRANT BIOSCIENCE FOR POOL AND INDIVIDUAL COVID TESTING

WHEREAS, the Director of Public Health HAS identified a need to contract with a laboratory for pool and individual testing to be completed on a regular basis per the protocols established by New York State. A contract with Quadrant Bioscience will be established beginning on September 13, 2021.

WHEREAS, Quadrant Bioscience will be paid $20 per test for each test in the pooled testing. If the pool has a positive result each individual swab is then placed into reflex testing to determine who is positive. It will no longer be considered screening for those individuals in the positive test pool, therefore after any additional tests needed will be billed directly to the individuals insurance. The CARES Act has offered funding to insurance companies to pay for said tests and the individual is not responsible. If for some reason the insurance company does not pay, the bill will be sent to Yates County Public Health, who will pay the bill, which would then be vouchered for through the ELC Schools COVID grant.

NOW, THEREFORE, BE IT RESOLVED, that effective September 13, 2021 a contract will be established with Quadrant Bioscience for to a twelve (12) month renewable contract, unless the contract is ended sooner by the Director of Public Health; and be it further

RESOLVED, that copies of this resolution be given to the Director of Public Health, Personnel Officer, County Administrator and County Treasurer.
Human Services Legislative Committee  
Community Services Department, August, 2021

**Action Items:**
Resolution to appoint CSB MH subcommittee Member  
Resolution for Suicide Prevention Month-September

**SAFE Act:**
3 reports received and investigated: 0 reported to DCJS:

**Fiscal:**
2022 budget reviews with contract agencies planned..

**AOT:**
Current cases: 0  Investigations: 0

**Program: Yates Suicide Prevention Coalition:**
The “Keuka Lake Out of The Darkness Walk” which will occur on Sunday, October 17, 2021 from 1:00PM-4:00PM @ Keuka State Park. Volunteers are need. (315-694-1216 or 315-729-1334. Walkers and teams are also needed. Register https://supporting.afsp.org/
This year there is a team for Yates County employees/families. Please consider joining this effort. See George Roets Captain..

**Program: Yates INSYGHT:**
Yates INSYGHT. (Inclusive Network Supporting Youth and Families Toward Growth, Health, Teamwork). Continues to meet with general membership and the Point of Accountability Committee (POA) monthly. Work groups continue to meet monthly. Work with the community sites (Our Town Rocks, The Living Well Mission) to add the capacity to identify and link youth and families in need of behavioral health services continues. The community sites are purchasing computer, furniture and other equipment to promote assistance with community access to community services.

The Training and Education work group continues to work with schools, community sites and providers regarding training needs and the community regarding ACE’s and trauma training.
High Fidelity Wraparound (HFW) provided by Pathways has been initiated at Penn Yan and Dundee CSD. That program focused at the highest need population will continue to grow in 2021. Enrollment continues to grow at Dundee and Penn Yan CSD.

Efforts to recruit family and youth participants in INSYGHT continues with increased outreach efforts and efforts from Aspire Hope family support program. The first planned open forum for the community was held and provided for dialogue with community members regarding concerns and service needs. The information received will help drive ongoing planning.

**Program: Crisis Intervention Training (CIT):**

Efforts continue to improve crisis services availability and access to behavioral health consultation, crisis, outpatient and when needed, inpatient care. Collaboration between the behavioral health services and law enforcement, probation and the criminal justice system continues while seeking additional opportunities to improve the overall crisis system. Sharing information and collaborating on current issues continues to avoid higher level community crises.

**Columbia University HEALing Communities Study (HCS):**

HCS as part of the National Institutes of Health HEAL Initiative is designed to investigate how tools for preventing and treating opioid misuse and Opioid Use Disorder (OUD) are most effective at the local level.

Local efforts have included attention on other substances in use locally in support of the treatment system. Prevention and education efforts also continue with providers and the community as a whole.

**Yates County Crisis Services Plan Update:**

One significant issue of the crisis improvement plan is to improve community awareness of available behavioral health services including crisis services. We are asking for local services to update and expand their efforts to publicize their services in the community. In addition, we are asking for the local coalitions and other organizations to expand and update their efforts to inform the community about services available and how to access them. These efforts include utilizing the two community centers that are part of the INSYGHT, System of Care development project.
Transitional Care Management (TCM)/ Adult Single Point of Accountability (SPOA):

Services for individuals leaving jail, in-patient treatment or for those threatened with homelessness are provided to individuals in Yates County. The focus is on applications for services, residential needs and social supports. Walk-in clients and phone/mail referrals are served regardless of funding. The intent is to support at risk individuals and help them stay in treatment as needed.

SPOA operates as a team and provides review of needs for housing, treatment, support for those who are homeless, homeless threatened, new inpatient discharges etc. This program served 8 individuals in August.

Children’s Single Point of Accountability (C-SPOA):

C-SPOA Operates a Children’s team of specialists that accept referrals for children/youth with behavioral health needs, school issues, residential needs, social support, family support, care management, treatment as well as referrals for higher levels of care.

The team meets with the parent, guardian, school representative, family advocate, health home care coordinator child/youth and other significant individuals to develop a plan of care and treatment. 5 individuals were served in August.

A new full-time C-SPOA Coordinator is being recruited. The full-time position will meet growing referrals, increased reviews, as well as to provide for increased involvement with INSYGHT. We will be able to have an increased capacity to handle cross systems referrals.

Yates Substance Abuse Coalition:

The Coalition is continues to focus on SUD prevention in Yates County through education, prevention and advocacy. Community and school prevention activities continue utilizing school and community-based prevention staff. Evidence based programs are utilized in this effort.

Mozaic

Day programs and residential services are operating locally for the Developmentally and Intellectually Disabled. Programs and services on the main campus and community sites are currently operating. Residential visits and making trips into the community are ongoing. Those in independent living are now having visits in person and care management is now in person. The vocational programs for the mentally ill has been reconfigured to meet the expected population in the future.

RECOGNIZE SEPTEMBER AS NATIONAL SUICIDE PREVENTION MONTH

WHEREAS, in New York, one person dies by suicide every five hours, with 1,705 deaths by suicide in New York during 2021 (January); and
WHEREAS, in New York, suicide is the 12th leading cause of death for all ages, the 2nd leading cause of death for ages 10-34-, the 4th leading cause of death for ages 35-54, the 9th leading cause of death for ages 55-64 and the 18th leading cause of death for ages 65 and older; and

WHEREAS, in New York it is estimated that there are as many as 40,000 suicide attempts each year; and

WHEREAS, each person’s death by suicide intimately affects at least six other people, with over 10,000 newly bereaved each year; and

WHEREAS, in 2020, over 1,700 New Yorkers died by suicide, and several thousand friends and family members were changed forever by losing those people; and

WHEREAS, many of those people who died never received effective behavioral health services, for many reasons, including the difficulty of accessing services by healthcare providers trained in best practices to reduce suicide risk, the stigma of using behavioral health treatment and the stigma associated with losing a loved one to suicide; and

WHEREAS, Suicide cost New York a total of $1,806,769,000.00 combined lifetime medical and work loss in 2010 or an average of $1,167,918.00 per suicide death; and

WHEREAS, the Suicide Prevention Center of New York State has joined with the Yates County Community Services Department, Yates County Public Health, Yates County Department of Social Services, local agency representatives, health care providers and members of the local public to develop a Yates County Suicide Prevention Coalition; and

WHEREAS, the Coalition has come together to find ways of reducing the frequency of suicide attempts and deaths, and the pain for those affected by suicide deaths, through special projects, educational programs, intervention services, community training and bereavement services; and

WHEREAS, the Coalition urges all Yates County residents to recognize suicide as a significant public health problem, declare suicide prevention a local priority and recognize that access to Behavioral Health Services for everyone without delays is essential to the prevention of suicide; and

WHEREAS, far too many Yates County residents attempt or die by suicide each year, and most of these deaths are preventable;

NOW, THEREFORE, IT BE RESOLVED, that the Yates County Legislature does hereby designate the month of September 2020, as “Suicide Prevention Coalition Month” in Yates County.
APPOINT MEMBER TO THE YATES COUNTY MENTAL HEALTH SUBCOMMITTEE

BE IT RESOLVED, that the Yates County Legislature appoint Melissa Law, 7636 State Route 53, Apt 101, Bath, New York 14810 to the Mental Health Subcommittee, to a term ending, 12/31/2025; and be it further

RESOLVED, that a copy of this resolution be provided to Melissa Law and to the Yates County Department of Community Services.

CPR
November 1, 2019 – November 1, 2021

Provisional FPA Credential
May 26, 2021 – November 26, 2022
RESOLUTION URGING GOVERNOR HOCHUL AND COMMISSIONER ZUCKER TO MODIFY THE PROPOSED COVID-19 MANDATE FOR ALL HEALTHCARE WORKERS

WHEREAS, Governor Hochul announced, in her first day in office, that she would be implementing a mandate that all healthcare workers in New York State be vaccinated against COVID-19 by September 27, 2021; and

WHEREAS, many nursing homes and hospitals across the Finger Lakes region have indicated that significant numbers of their staff have threatened to resign effective September 26, 2021 rather than receive the COVID-19 vaccine; and

WHEREAS, our nursing homes and hospitals are already experiencing staff shortages caused by complex and diverse factors; and

WHEREAS, while well-intentioned, the vaccine mandate proposed by Governor Hochul and Commissioner Zucker runs the risk of effecting the mass resignation of unvaccinated healthcare workers throughout the state; and

WHEREAS, both hospitals and nursing homes have indicated they would be forced to shutter beds and reduce capacity if the threatened resignations come to fruition; and

WHEREAS, as the Delta variant of COVID-19 increases its spread through our communities and college and K through 12 schools resume classes, our community cannot risk losing critical healthcare workers and acute and long-term care capacity; and

WHEREAS, allowing for a twice a week, or more frequent, testing alternative to the proposed vaccine mandate would protect patient safety, respect the personal rights of healthcare workers, and ensure that our medical system is as prepared as possible for the anticipated increase in COVID-19 cases heading into the fall and winter;

NOW, THEREFORE, BE IT RESOLVED, the Yates County Legislature encourages all eligible New Yorkers to get vaccinated against COVID-19; and be it further

RESOLVED, the Yates County Legislature hereby calls on Governor Hochul and Department of Health Commissioner Zucker to modify their proposed healthcare worker COVID-19 vaccine mandate to allow for a testing option for those workers who do not wish to receive the vaccine at this time; and be it further

RESOLVED, certified copies of this resolution be sent to Governor Kathy Hochul, Department of Health Commissioner Howard Zucker, State Assembly Speaker Carl Heastie, Senate Majority Leader Andrea Stewart-Cousins, Assembly Minority Leader Will Barclay, and Senate Minority Leader Rob Ortt.

AUTHORIZE THE CHAIRMAN TO SIGN SOFTWARE SUPPORT AGREEMENT EXTENSION FOR PUBLIC DEFENSE CASE MANAGEMENT SYSTEM MAINTENANCE AND SOFTWARE SUPPORT AGREEMENT BETWEEN THE YATES COUNTY ASSIGNED COUNSEL PROGRAM OFFICE AND NEW YORK STATE DEFENDERS ASSOCIATION, INC.

WHEREAS, the Assigned Counsel Program office uses a software package called Public Defense Case Management System; and

WHEREAS, the maintenance agreement is due to expire and the Public Defender seeks to renew said agreement to October 18, 2022; and

WHEREAS, the Public Defense Case Management System Maintenance and Software Support are renewable annually, the Public Defender’s Office is also requesting authorization to have the Chairman of the Legislature sign any future contract renewals pursuant to the above, thus forgoing the necessity of subsequent resolutions in this regard;

NOW, THEREFORE, BE IT RESOLVED, that the Chairman of the Legislature upon approval of the County Attorney is hereby authorized to sign an extension agreement for one year at the cost of $500.00 ($500.00 per license); and be it further

RESOLVED, that copies of this agreement be given to the Public Defender and the County Treasurer.
