

YATES COUNTY AIRPORT COUNCIL MINUTES  
SEPTEMBER 24, 2019

Present: Doug Marchionda Sr. (PY Flying Club), Bill Middlebrook (PY Aero), Rich Leppert (Seneca Flight), Taylor Fitch, Paul Middlebrook, Doug Paddock (Yates County)

Bryan Savage, Lisa Cheung, Greg Topping (Passero)

Minutes of August 27, 2019 were approved

Finance Report from August was accepted

Seneca FBO Report:

- Discussion on expanding events at the airport for public participation.
- Discussion on crack sealing being fundable by the FAA. Passero suggested 2022 for crack sealing and 2025 for a milling and overlay. We need to update the ACIP.
- There are now 5 T-Hangars available for renting.
- NBD status awaiting cutting down the poles.
- A requirement for a weights and measure contract for the airport is potentially an added cost to Seneca Flight.

Passero Report:

- Passero is still working with the Village on disposal of deicing liquid.
- The start date of the Segmented Circle project may not happen until spring of 2020 and working with the contractor to get gate at Penn Yan Aero working this fall.
- Discussion on the purchase of property adjacent to 10-28 and the best approach to take with the land owners.
- There has been little progress on the Sewer Extension on Bath Road. Bids have yet to be sent out.

Old Business:

- Discussion on the failure of NYSEG to have properly addressed the electrical problems at Penn Yan Aero.
