Sharon reported on the Specialized Secure Detention. The LDC met on May 20<sup>th</sup>. The current contract will need to be reworked as Treahy Consultation Services is now doing work for the LDC. It would be a contract between Treahy Consultation Services and the LDC but would be the same pot of money which is 100% reimbursed by the state. Also, an RFP will be written to be sent out to engineering firms for facility rendering, soil samples, site grading, etc., of the two potential build sites so the LDC may choose the appropriate site. RFPs are due to be returned by June 14<sup>th</sup>. The next LDC meeting is June 18<sup>th</sup>.
