RESOLUTION NO. 247-19

Mr. Holgate offered the following resolution with the addition of “WHEREAS, under this charge, counties are required to fully reimburse all school districts and most towns and villages for any property taxes they cannot collect in the first instance, which often requires counties to borrow tens of millions of dollars annually while tax recoupment is commenced, all with the primary goal of ensuring fairness and avoiding tax foreclosure; and” as the eighth WHEREAS, seconded by Mr. Cutler.

OPPOSITION TO STATE LEGISLATIVE PROPOSALS THAT COULD UNDERMINE THE CAREFUL BALANCE THAT EXISTS IN STATE LAW RELATED TO THE TAX FORECLOSURE PROCESS IN NEW YORK STATE AS PROPOSED IN S.4676/A.4863

WHEREAS, the current real property tax law process to ensure tax compliance and limit tax foreclosure has been on the books for decades; and

WHEREAS, the real property tax foreclosure process is designed to strike a balance for a strong enforcement mechanism to ensure critical property tax revenues are protected to provide

vital state mandated and local services in our communities, while providing property owners important alternatives and additional time to make payments to avoid foreclosure; and

WHEREAS, legislative proposals in S.4676 and A.4863 would eliminate certain tax enforcement fees and penalties, allow for lower interest rates in tax delinquencies, and eliminate the current law “reverse chronological order” of satisfying tax liens; and

WHEREAS, reducing these fee, penalty and interest tax enforcement measures will likely reduce the effectiveness and balance of the current system; and

WHEREAS, eliminating the current law “reverse chronological order” provisions will allow property owners to potentially abuse the system and remain perpetually in arrears on their property taxes, significantly damaging tax compliance; and

WHEREAS, reduced tax compliance can jeopardize the delivery of critical state and local services in the community, and will unfairly shift the burden of these unpaid property taxes to other property owners; and

WHEREAS, county government is the primary governmental unit, along with some cities and other municipalities, charged by the State with ensuring real property tax law compliance and enforcement at the local level; and

WHEREAS, under this charge, counties are required to fully reimburse all school districts and most towns and villages for any property taxes they cannot collect in the first instance, which often requires counties to borrow tens of millions of dollars annually while tax recoupment is commenced, all with the primary goal of ensuring fairness and avoiding tax foreclosure; and

WHEREAS, the real property law provides an extensive notification process for property owners that fall into arrears to help them understand what is happening and their options; and

WHEREAS, many counties use these statutory allowances to ease the tax foreclosure process and burden, and they also provide additional help including:

- Encourage property owners to seek legal advice on other options so they can retain their property;
- Engage family members, especially for senior citizens, to allow family members to receive duplicate copies of property tax bills, delinquency notices and other real property items;
- Guide property owners to local and state programs that may offer them assistance to clear up their delinquent taxes;
- Allow property owners to repurchase their property in cases of tax foreclosure, under specified timelines and parameters;

NOW, THEREFORE, BE IT RESOLVED, that Yates County opposes state legislation that can undermine the careful balance that exists in state law related to the tax foreclosure process in New York State, including S.4676/A.4863 currently being considered in the State Legislature; and be it further

RESOLVED, that Yates County is especially concerned of the unintended consequences this legislation may cause by eliminating the current law reverse chronological order for paying tax liens and loosening penalties and interest, that could reduce taxpayer compliance, which can jeopardize the delivery of state and local services, and will unfairly shift the burden of unpaid property taxes to other property owners in the community; and be it further

RESOLVED, that certified copies of this resolution be sent to Governor Cuomo, State Senator O'Mara, Assemblyman Palmesano, Assemblywoman Peoples-Stokes, Assemblyman Kolb, Senator Stewart-Cousins, Senator Flanagan, Assemblyman Carl Heastie and the New York State Association of Counties.

SECTION 10 Returns –

(a) Every operator shall file with the County Treasurer a return of occupancy and of rents, and of the taxes payable thereon for the quarterly periods ending February 28, May 31, August 31 and November 30 of each year on or after January 1, 2008. Such returns shall be filed within twenty (20) days from the expiration of the period covered thereby. The County Treasurer may permit or require returns to be made by other periods and upon such dates as may be specified. If the County Treasurer deems it necessary in order to insure the payment of the tax imposed by this local law, then the County Treasurer may require returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this section and upon such dates as may be specified.

(b) The forms of returns shall be prescribed by the County Treasurer and shall contain such information as he or she may deem necessary for the proper administration of this local law. The county Treasurer may require amended returns to be filed within twenty (20) days after notice and to contain the information specified in the notice.

(c) If the return required by this local law is not filed, or a return filed is incorrect or insufficient on its face, then the County Treasurer shall take the necessary steps to enforce the filing of such return, or of a corrected return.

SECTION 11 Payment of tax -

(a) Upon the time of filing a return of occupancy and of rents, each operator shall pay to the County Treasurer the taxes imposed by this local law upon the rents required to be included in such return, as well as other monies collected by the operator acting, or purporting to act, under the provisions of this local law.

(b) Where the County Treasurer, in his or her discretion, deems it necessary to protect revenues to be obtained under this local law, the County Treasurer may require any operator obligated to collect the tax imposed by this local law to file with the County Treasurer's office a bond, issued by a surety company authorized to transact business in this state and approved by the New York State Superintendent of Insurance as to solvency and responsibility, in such amount as the County Treasurer may fix to secure the payment of any tax and/or penalties and interest due, or which may become due, from such operator.

(c) In the event the County Treasurer determines that an operator is to file such bond, notice shall be given by the County Treasurer to such operator to that effect specifying the amount of the bond required.

(d) The operator shall file such bond within five (5) days after the issuance of such notice, unless within five (5), days the operator shall serve upon and deliver to the County Treasurer a written request for a hearing before the Finance Committee at which time the necessity, propriety and amount of the bond shall be determined by the County Treasurer. Any determination by the County Treasurer upon such hearing shall be final and shall be complied with by the operator within fifteen (15) days after the giving of notices thereof.

(e) In lieu of such bond, securities approved by the County Treasurer or cash in such amount as may be prescribed, may be deposited which shall be kept in the custody of the County Treasurer, who may at any time without notice to the depositor apply them to any tax and interest and penalties due, and for that purpose, the securities may be sold by the County Treasurer at public or private sale, without notice to the depositor thereof.

SECTION 12 Determination of Tax –

(a) If a return required by this local law is not filed, or if a return is incorrect or insufficient, then the amount of tax due shall be determined by the County Treasurer from such information as may be obtainable and, if necessary, the tax may be estimated on the basis of external indices, such as number of rooms, location, scale of rents, comparable rents, type of accommodations and service, number of employees and/or other factors. Such notice of

determination shall be mailed by certified or registered mail to the person or persons liable for the collection or payment of the tax at his/her last known address. If such person or persons is deceased or under a legal disability, a notice of determination may be mailed to his/her last known address, unless the County Treasurer has received notice of the existence of a fiduciary relationship with respect to such person. After thirty (30) days from the mailing of such notice of determination, such notice of determination shall be an assessment of the amount of tax specified in such notice of determination, together with the interest, additions to tax and penalties stated in such notice of determination. Such notice of determination shall finally and irrevocably fix the tax, unless the person against whom it is assessed, within the above stated thirty (30) day time period, applies to the County Treasurer for a hearing, or unless the County Treasurer of his or her own motion shall re-determine the same. After such hearing, the County Treasurer shall give a notice of determination made to the person(s) against whom the tax is assessed. Any final determination of the amount of any tax payable hereunder, shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by a proceeding under article seventy-eight of the Civil Practice Law and Rules, if application therefore is made to the Supreme Court within thirty (30) days after the giving of the notice of such final determination, provided, however, that any such proceeding under article seventy-eight of the Civil Practice Law and Rules shall not be instituted unless:

(1) The amount of tax sought to be reviewed, with such interest and penalties thereon as may be provided for by local law or regulation shall be first deposited and there is filed an undertaking, issued by a surety company authorized to transact business in New York State and approved by the New York State Superintendent of Insurance as to solvency and responsibility, in such amount as a justice of the Supreme Court shall approve, to the effect that if such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding; or

(2) At the option of the petitioner, such undertaking may be in a sum sufficient to cover the taxes, interests, and penalties stated in such determination, plus the costs and charges which may accrue against such petitioner in the prosecution of the proceeding, in which event, the petitioner shall not be required to pay such taxes, interests or penalties as a condition precedent to the application.

(b) Whenever such tax is estimated as provided for in this Section 12, such notice shall contain a statement conspicuously placed on such notice advising the applicable person(s): that the amount of the tax was estimated; that the tax may be challenged through a hearing process; and that the petition for such challenge must be filed with the County Treasurer within thirty (30) days.

(c) The liability of the a purchaser, transferee or assignee of assets sold, transferred or assigned in bulk for the payment to the County of taxes determined to be due from the seller, transferor or assignor arising under subdivision (c) of Section 17 of this local law shall be an assessment of the liability determined unless the purchaser, transferee or assignee, within thirty (30) days after the giving of notice by the County Treasurer to such purchaser, transferee or assignee of the total amount of any tax or taxes which the County claims to be due from the seller, transferor or assignor, shall apply to the County Treasurer for a hearing unless the County Treasurer, on its own motion, shall re-determine such liability. Where the County Treasurer determines that the amount of taxes claimed due from the seller, transferor or assignor is erroneous or excessive in whole or in part it shall, on behalf of the purchaser, transferee or assignee, determine the amount of tax or taxes properly due and if such amount is less than the amount of taxes for which the purchaser would have been liable in the absence of such determination it shall reduce such liability accordingly.

(d) The liability, pursuant to subdivision (c)(iv) of Section 8 of this local law, of any officer, director or employee of a corporation operator or dissolved corporation operator, any employee of a partnership operator, any employee or manager of a limited liability company operator, or any employee of an individual proprietorship operator who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this local law for the tax imposed, collected or required to be collected, or for the tax required to be paid or paid over to the County Treasurer under this local law, and the amount of such tax liability (whether or not a return is filed under this local law, whether or not such return when filed is incorrect or insufficient, or where the tax shown to be due on the return filed under this local law has not been paid or has not been paid in full) shall be determined by the County Treasurer in the manner provided for in subdivisions (a) and (b) of this Section 12. Such determination shall be an assessment of the tax and liability for the tax with respect to such person unless such person, within thirty (30) days after the giving of notice of such determination, shall apply to the County Treasurer for a hearing. If such determination is identical to or arises out of a previously issued determination of tax of the corporation, dissolved corporation, partnership, limited liability company or individual proprietorship for which such person is under a duty to act, an application filed with the County Treasurer on behalf of the corporation, dissolved corporation, partnership, limited liability company or individual proprietorship shall be deemed to include any and all subsequently issued personal determinations and a separate application to the County Treasurer for a hearing shall not be required. The County Treasurer may, nevertheless, of its own motion, re-determine such determination of tax or liability for tax. Where the County Treasurer

determines or re-determines that the amount of tax claimed to be due from the operator is erroneous or excessive in whole or in part, it shall re-determine the amount of tax properly due from any such person, and if such amount is less than the amount of tax for which such person would have been liable in the absence of such determination or re-determination, it shall reduce such liability accordingly.

(e) If the County Treasurer believes that the collection of any tax will be jeopardized by delay, for reasons including but not limited to, a person liable for the tax is about to cease business, leave the state or remove or dissipate assets out of which the tax or penalties and interest might be satisfied, the County Treasurer may determine the amount of such tax and assess the same, together with all interest and penalties provided by this local law, against any person liable therefor prior to the filing of a return and prior to the date when such return is required to be filed. The amount so determined shall become due and payable to the County Treasurer by the person(s) against whom such a jeopardy assessment is made, as soon as notice thereof is given to such person personally or by registered or certified mail. The provisions of subdivisions (a) and (b) of this Section 12 shall apply to any such determination except to the extent that they may be inconsistent with this subdivision. The County Treasurer may abate any jeopardy assessment if it finds that jeopardy does not exist.

SECTION 13 Refunds –

(a) In the manner provided in this section, the County Treasurer shall refund or credit, without interest, any tax, penalty or interest erroneously, illegally or unconstitutionally collected or paid, if application to the County Treasurer for such refund shall be made within one year of payment thereof. Whenever a refund is made by the County Treasurer, the reason therefore shall be stated in writing. Such application may be made by the operator, or other person who has actually paid the tax. Such application may also be made by an operator who has collected and paid over such tax to the County Treasurer, provided the application is made within one year of the payment by the occupant to the operator, but no actual refund of money shall be paid to such operator until it is first established to the satisfaction of the County Treasurer, under such regulations as the County Treasurer may prescribe, that the County Treasurer has repaid to the occupant the amount for which the application for refund is made. The County Treasurer may in lieu of any refund required to be made, allow credit therefore on payments due from the applicant.

(b) Where any tax imposed hereunder shall have been erroneously, illegally or unconstitutionally collected and application for the refund thereof duly made to the proper fiscal officer or officers, and such officer or officers shall have made a determination denying such

refund, such determination shall be reviewable by a proceeding under article seventy-eight of the Civil Practice Law and Rules, provided, however, that such proceeding is instituted within thirty (30) days after the giving of the notice of such denial, that final determination of the tax due was not previously made, and that an undertaking is filed with the proper fiscal officer or officers in such amount and with such sureties as a justice of the Supreme Court shall approve, to the effect that such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.

SECTION 14 Reserves In cases where the operator or other person who has paid the tax has applied for a refund and has instituted a proceeding under article seventy-eight of the Civil Practice Law and Rules to review a determination adverse to such operator or other person who has paid the tax on such application for a refund, the County Treasurer shall set aside sufficient monies to meet any decision adverse to the County.

SECTION 15 Disposition Of Revenues – All revenues resulting from the imposition of the tax under this local law shall be paid into the treasury of Yates County and shall be credited to, and deposited in, the General Fund of the County. Thereafter the revenues from the tax after the cost of administration is deducted (said cost of administration being a percentage of such revenues, said percentage being established by County resolution, but not to exceed 10% of such revenues, to defer the necessary expenses of the County in administering such tax), shall be equally divided for the purpose of i) promoting tourism in the County (Yates County Tourism) and ii) the enhancement of the general economy in the County, its towns and villages (Yates County General Fund).

SECTION 16 Remedies Exclusive - The remedies provided by sections twelve (12) and thirteen (13) of this local law shall be the exclusive remedies available to any person for the review of the tax liability imposed by this local law; and no determination, or proposed determination, of tax or determination of any application for refund or credit shall be enjoined, contested or reviewed by any action or proceeding, except by a proceeding under article seventy-eight of the Civil Practice Law and Rules provided, however, that a taxpayer may proceed by declaratory judgment if suit is instituted within thirty (30) days after a deficiency assessment to the County Treasurer prior to the institution of such suit and posts a bond for costs pursuant to section twelve (12) of this local law.

SECTION 17 Proceedings to Recover Tax

(a) Whenever any operator or other person liable for the tax shall fail to collect or pay over and/or to pay any tax, penalty or interest imposed by this local law as herein provided, or whenever any occupant shall fail to pay any such tax, penalty or interest, the County Attorney

shall, upon the request of the County Treasurer, bring or cause to be brought an action to enforce the payment of the same on behalf of Yates County in any court of the State of New York or any other state or of the United States.

(b) As an additional or alternate remedy, the County Treasurer may issue a warrant, directed to the Yates County Sheriff or to the sheriff of any other county, commanding him to levy upon and sell the real and personal property of any person liable for the tax, which may be found within that sheriff's county, for the payment of the amount thereof, with any penalties and interest, and the cost of executing the warrant, and to return such warrant to the County Treasurer and to pay to the County Treasurer the money collected by virtue thereof within sixty (60) days after the receipt of such warrant. The Sheriff shall, within five (5) days after the receipt of the warrant, file with the County Clerk a copy thereof, and thereupon such clerk shall enter in the judgment docket the name of the person(s) mentioned in the warrant and the amount of the tax, with any penalties and interest, for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the title to and interest in real and personal property of the person(s) against whom the warrant is issued. Such lien shall not apply to personal property unless another copy of such warrant is filed in the New York State Department of State. The sheriff shall then proceed upon the warrant, in the same manner and with like effect as that provided by law in respect to executions issued against property upon judgments of a court of record, and for services in executing the warrant the sheriff shall be entitled to the same fees, which may be collected in the same manner. In the discretion of the County Treasurer, a warrant of like terms and effect may be issued and directed to any officer or employee of the County Treasurer and in the execution thereof such officer or employee shall have all the powers conferred upon sheriffs, but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Upon such filing of a copy of a warrant, the County Treasurer shall have the same remedies to enforce the amount due thereunder as if the County had recovered judgment therefore. If a warrant is returned not satisfied in full, the County Treasurer may from time to time issue new warrants and shall also have the same remedies to enforce the amount due thereunder as provided in this section.

(c) Whenever an operator or other person liable for the tax shall make a sale, transfer or assignment in bulk of any part of the whole of a hotel, motel, or lease, or of such operator's business assets, otherwise than in the ordinary course of business, the following provisions shall apply:

(1) the purchaser, transferee or assignee shall, at least twenty (20) days before taking possession of the subject of such sale, transfer or assignment, or paying therefor, notify

the County Treasurer by registered mail of the proposed sale and of the price, terms and conditions thereof whether or not the seller, transferor or assignor has represented to, or informed the purchaser, transferee or assignee that any tax is owed pursuant to this local law, and whether or not the purchaser, transferee or assignee has knowledge that such taxes are owing and whether any such taxes are in fact owing;

(2) whenever the purchaser, transferee or assignee shall fail to give notice to the County Treasurer as required by the preceding paragraph (1), or whenever the County Treasurer shall inform the purchaser, transferee or assignee that a possible claim for such tax or taxes exists, any sums of money, property or choses in action or other consideration, which the purchaser, transferee or assignee is required to transfer over to the seller, transferor or assignor, shall be the subject of a first priority right and lien of any such taxes theretofore or thereafter determined to be due from the operator, seller, transferor or assignor to the County, and the purchaser, transferee or assignee is forbidden to transfer to the operator, seller, transferor or assignor and shall withhold, any such sums of money, property or choses in action, or other consideration to the extent of the amount of the County's claim. Within fifteen (15) days of receipt of the notice of the sale, transfer or assignment from the purchaser, transferee or assignee, the County Treasurer shall give notice to the purchaser, transferee or assignee and to the operator, seller, transferor or assignor of the total amount of any tax or taxes, as well as of any penalties or interest due thereon, which the County Treasurer claims to be due from the operator, seller, transferor or assignor to the County, and whenever the County Treasurer shall fail to give such notice within fifteen (15) days from receipt of the notice of the sale, transfer or assignment required by subdivision (1) of this paragraph, such failure shall release the purchaser, transferee or assignee from any further obligation to withhold any sums of money, property or choses in action or other consideration which the purchaser, transferee or assignee is required to transfer over to the operator, seller, transferor or assignor. For failure to comply with the provisions of this paragraph, the purchaser, transferee or assignee, in addition to being subject to the liabilities and remedies imposed under the provisions of Article Six of the Uniform Commercial Code, shall be personally liable for the payment determined to be due to the County from the seller, transferor or assignor, and such liability may be assessed and enforced in the same manner as the liability for tax under this local law. Upon receipt of the County Treasurer's notice issued pursuant this paragraph stating the total amount of the County's claim, the purchaser, seller, transferee or assignee may make payment of such claim to the County Treasurer from any sums of money, property, or choses in action or other consideration withheld in accord with the provisions of this paragraph, except that such payment shall be limited to an amount not in excess of the purchase price or fair market value of the assets sold, transferred, or assigned to

such purchaser, transferee, or assignee, whichever is higher, and upon making such payment the purchaser, transferee or assignee shall be relieved of all liability for such amounts to the operator, seller, transferor or assignor and such amounts paid to the County Treasurer shall be deemed satisfaction of the tax liability of the operator, seller, transferor or assignor to the extent of the amount of such payment.

SECTION 18 General Powers of the County Treasurer – In addition to the powers granted to the County Treasurer by County Law and this local law, the County Treasurer is hereby authorized and empowered:

(a) To make, adopt and amend rules and regulations, and to issue orders, appropriate to the carrying out of this local law and the purposes thereof;

(b) To extend for cause shown, the time of filing any return for a period not exceeding thirty (30) days; and for cause shown, to remit or waive penalties, but not interest; and to compromise disputed claims in connection with the taxes hereby imposed;

(c) To request information from the Tax Commissioner of the State of New York or the Treasury Department of the United States relative to any person; and to afford information to such Tax Commissioner or such Treasury Department relative to any person, and any other provision of this local law to the contrary notwithstanding;

(d) To delegate such functions hereunder to any employee or employees of the County Treasurer;

(e) To prescribe methods for determining the rents for occupancy and to determine the taxable and non-taxable rents;

(f) To require any operator within the County to keep detailed records of the nature and type of hotel or motel maintained, nature and type of service rendered, the rooms available and rooms occupied daily, leases or occupancy contracts or arrangements, rents received charged and accrued, the names and addresses of the occupants, whether or not any occupancy is claimed to be subject to the tax imposed by this local law, and to furnish such information upon request to the County Treasurer;

(g) To assess, determine, revise and readjust the taxes imposed under this local law.

SECTION 19 Administration of Oaths and Compelling Testimony

(a) The County Treasurer, or the County Treasurer's duly designated and authorized employees or agents, shall have power to administer oaths and take affidavits in relation to any matter or proceeding in the exercise of the County Treasurer's powers and duties under this local law.

(b) The County Treasurer shall have the power to subpoena and require the attendance of witnesses and the production of books, papers, and documents to secure information pertinent to the performance of his or her duties hereunder and of the enforcement of this local law, and to examine them in relation thereto, and to issue commissions for the examination of witnesses who are out of the state or unable to attend before the County Treasurer or excuse from attendance.

RESOLUTION NO. 256-19

Dr. Dennis offered the following resolution and moved its adoption, seconded by Mr. Willson.

DISCUSSION:

Mr. Holgate stated he agrees with a lot of the people that spoke here today and he feels this resolution is pointless and feels the resolution should be pulled. We do need immigration workers in this area. He agrees there needs to be support for immigration workers, but as far as making this a sanctuary state he is not in favor of that but he does not like the resolution.

Dr. Dennis stated that this is a really difficult topic that he does not feel can be adequately addressed. He is torn by this as he has been on mission trips to Central America. We have an issue that is being refused to be addressed and that is the presence of somewhere between 10 to 12 million undocumented people in this country. Those same people are doing a lot of the back breaking work that we need done. Dr. Dennis stated that he has also done some research and to his knowledge the crime rate amongst those 10 to 12 million people is actually less than it is in the general population. Taking that into account, perhaps our contention that their presence makes us less safe, he is not sure he can support. He does believe in the rule of law. The law has been broken, it is not necessarily a criminal law but a civil law and he knows we have sworn to uphold the constitution. Sometimes we do speak to a different level of conscience as was expressed earlier today. That also troubles Dr. Dennis as to how to vote for this. Dr. Dennis offered this resolution because it was his duty as Chairman of this Committee that it came through, however, he is in agreement with Mr. Holgate. He would prefer that the resolution be pulled.

Dr. Dennis moved to withdraw resolution 256-19, seconded by Mr. Cutler.

DISCUSSION:

Mr. Cutler stated our federal immigration system has been broken for at least 20 or 30 years and needs to be fixed at the federal level. I will support the motion to pull the resolution and let's get on to all the other things we are working on.

VOTE: Roll Call – Cutler, Gleason, Banach, Holgate, Percy, Dennis, Paddock voting “Yes”; Bronson, Chilson, Church, Multer, Button, Willson voting “No”. Motion lost.

Mr. Button stated he thinks about some of the people that he does business with, who spend the time and effort and money to do it right. To make sure they do it right so it helps their business and our county. They take the time to document everything, work through the legal channels. If we send the message to them that we don't support what they are doing, we hurt everybody in this country.

Mr. Cutler stated one of issues that the whole business of a sanctuary state is in itself a political statement. This sort of thing was not needed 20 years ago and it is only needed today in order to make a political statement on behalf of New York State. Mr. Cutler feels it contributes to political polarization. It doesn't make our county less welcoming one way or the other. Our county is welcoming because of the people who live and work here and the care they show for their fellow citizens.

Mr. Gleason stated years ago when he was in Vietnam he fought with two young men. One was

from Mexico and the other Guam. Neither one were citizens of the USA but they defended the flag in hopes of becoming a citizen sometime. On the other side of this, Mr. Gleason stated that he is a law and order person. When people come across the border, the first thing they do is break the laws of our country. As much as I want to support them, they did break the law. They are looking for better lives. This is a damned if you do and damned if you don't.

Mrs. Church stated because she supports legal immigration and that our immigration policies need to be reformed. We need to send a message and support this resolution. We need to send this resolution to our Governor and encourage immigration reform.

Ms. Chilson stated, "We are all descendants of immigrants, but we all came across in the right way. If you take this to the basis of what this is about, we are not opposed to people coming. Several farmers have people in the area that work with them and for them and are very hard workers. They support our system. It helps our economy." Ms. Chilson feels there is the right process that we have to go through and we need to support that as Mr. Cutler has stated.

Mr. Bronson stated he is going to support Resolution 256-19 because he feels people should come to this country according to the laws that we have on the books today. Those laws definitely need to be changed and updated. Given what we have, Mr. Bronson feels the constitution needs to be followed. That is what we all support as an oath.

Mr. Paddock stated he is not sure a vote one way the other a vote from Yates County is going to affect what happens in Albany, considering that we are a very small population base as compared to the rest of the state and especially downstate.

Mr. Button stated he thinks about the many people that come from downstate and other places in our state that they like to come here because of Yates County. They come back and they will keep coming back because of what we do.
