

Yates County Airport Council

October 30, 2018

Present: John Socha (Milo), Rich Leppert (Seneca Flight), Bill Middlebrook (PY Aero), Doug Marchionda Sr. (PY Flying Club), Paul Middlebrook (At large), Tim Dennis (Yates County), Bryan Savage (Passero), Taylor Fitch (Marketing), Doug Paddock (Yates County)

Minutes of the September 25, 2018 meeting were approved.

Finance report was accepted.

Seneca report: Seneca will meet with Passero and Dave Hartman to develop pavement maintenance plans. Yates County Highway will roll the grass runway in the Spring. Seneca staff are working on the fence clearing. There are currently four t-hangars open to rent. Seneca is working with Tompkins County Airport to jointly buy the granular deicing material. The NDB license from FCC is in the works.

Passero report: Obstruction removal is currently being analyzed after the drone flight. The sewer extension with the Town of Milo is waiting on the IMA to proceed. There was investigation and questions regarding the Agricultural District and the airport property. Passero will report on the benefits or lack of same regarding that.

Old Business: The FBO agreement has been forwarded to Seneca headquarters. Passero will report on analysis of airport drive ownership.

Meeting was adjourned.
