

VETERANS CREDIT INFORMATION

WHAT ARE VETERANS CREDITS?

Civil Service Law allows for additional credit to be added to the final passing score of disabled and non-disabled veterans. This credit is granted on the following basis:

	Open Competitive Examinations	Promotional Examinations
Disabled Veterans:	10	5
Non-Disabled Veterans:	5	2.5

This additional credit may only be granted when the Eligible List is established. Candidates who claim credit but fail to submit their discharge papers and an Application for Veterans Credits before the Eligible List is established cannot be granted credit on such Eligible List.

HOW OFTEN CAN VETERANS CREDIT BE USED?

Veterans' credit can be claimed and added to the exam score of all local, state and federal examinations you qualify in as often as you choose. Additional credits, though, can only be used once for an appointment to a position. Once you are appointed to a position in which you needed the additional credits to be reachable on an Eligible List you cannot not use them again. Except...

If a Veteran used non-disabled credits for appointment and was subsequently certified disabled, such a veteran would be entitled to an additional grant of credits equal to the difference between 10 credits and the number of credits received at initial appointment.

Please visit www.cs.ny.gov/vetcredits/ to learn more about this benefit and other useful information. Please note that at any time after the Eligible List is establishment, but prior to an appointment, you can withdraw your Veterans credits. Such request must be made in writing to this office prior to an appointment.

WHAT IF I AM CURRENTLY ACTIVE DUTY?

A 1997 Constitutional Amendment makes it possible for active military personnel to be granted conditional credits. While your name must be placed on the Eligible List with veterans' credits at the time the List is established, your name will be restricted from certification with the additional points until you provide this office with documentation that service was in time of war and that you received an honorable discharge. Prior to such documentation, you will only be certified by the final exam score, excluding your veterans' credit.

WHAT IF I AM A DISABLED VETERAN?

A disabled veteran must also complete the Authorization for Disability Record in duplicate. Forward both copies of the Authorization for Disability Record immediately to the Regional Office of the United States Veterans Administration where your application for disability pension is on file. To qualify for credit as a disabled veteran you must be receiving payments from the Veteran's Administration for a war-incurred disability of at least 10%. The Veteran's Administration must certify the disability to be in existence at the time of your application for veterans' credit.

You can visit the Yates County Veterans Service Agency, 417 Liberty Street, Penn Yan, New York, 14527, to receive assistance in completing the necessary paperwork.
