Finger Lakes Compost

Phone: 315-335-0424

Email: fingerlakescompost@gmail.com

Website: www.fingerlakescompost.com

This is a curbside composting company run by Heather Gilbert. You decide which bin size works best for you. You fill the bin with all the "good stuff". Then they will pick-up the compost bin(s) on a scheduled day or as needed basis. Leaving behind a fresh, clean bin, eliminating the need for bags, the ick factor of spoiled food and pest/larvae. A clean bin will be left for your use. Please see website for rates.

Please if I have missed someone, please email me and let me know of your facility, address, hours, what you accept and I will add you to the list.
