

# AD HOC REAPPORTIONMENT/REDISTRICTING COMMITTEE

April 18, 2022

Meeting convened at approximately 10:00 a.m.

Present: Robert Brechko, Rob Schwarting, Ed Bronson, Colby Petersen, Jesse Jayne, Mark Morris, Pat Killen, Rick Willson, Emilee Miller, Jeff Ayers

## GOAL

To modify district boundaries so that the total difference between the mean number of residents per legislator is less than or close to 7.3%, while maintaining 14 legislators, and to bring the findings forward to the Government Ops. Committee.

## SUMMARY

Jesse distributed the following map for review and discussion:

Jesse stated that he received a letter from the County Attorney saying that the option that he has presented passes muster. It was recommended that he provide the legislature with a copy of this letter via email before the Special Government Operations meeting. He thinks that he has 8 or 9

legislators are on board with this option. If someone were to take legal action against the County, it would have to be someone that was negatively impacted by moving the district boundaries. Districts 3 & 4 are nonfactors.

Rob and Robert suggested moving the lines a little bit differently to make it easier for them with the election districts and easier for the people collecting signatures. They need to have all of this in place by February 15<sup>th</sup>, 2023 for April 1<sup>st</sup>, 2023.

In the areas that are being moved, it is advised that people collecting signatures, etc. stay out of those areas because they will be changing.
